

Marcos Dionel Iannibelli

Full-Stack Developer

Buenos Aires, Argentina ▪ dioneldeveloper@gmail.com ▪ (+54) 11 6631-5085 ▪ mdiannibelli.com

Experience developing complete full-stack applications, from modern and accessible user interfaces to efficient and scalable backend systems. Ability to build comprehensive solutions that connect the frontend with APIs and databases, ensuring fluidity, performance, and security.

Motivated to bring a global development vision, technological adaptability, and active collaboration to dynamic and innovative teams.

AREA OF EXPERTISE

Frontend | Backend | Object Oriented Programming | Design Patterns | SOLID | SaaS | Architecture | API | Cloud Services | Testing | Responsive Design | UX/UI | SEO | WPO

PROFESSIONAL EXPERIENCE

FullStack Developer

Aug 2025 - Present

Codescript

- Designed, developed, and maintained scalable web applications using JavaScript, TypeScript, React, Next.js, Node.js, and Nest.js.
- Built and consumed RESTful APIs to ensure seamless communication between frontend and backend systems.
- Developed responsive and user-friendly interfaces with modern UI frameworks and implemented best practices in UX/UI design.
- Managed databases (MySQL, PostgreSQL, MongoDB) including schema design, queries, and performance optimization.
- Deployed and monitored applications in cloud environments (AWS, Azure) ensuring performance, scalability, and security.
- Collaborated with cross-functional teams in an Agile/Scrum environment, delivering features on time and aligning with business requirements.
- Applied version control (Git) and code review practices to maintain high-quality, maintainable code.

Linux Server Administrator

Oct 2024 - Present

Ministry of Security

- Executed critical tasks through the terminal in an Ubuntu environment, including file organization and maintenance.
- Created backups, managed disk partitioning, and maintained storage structures to ensure data integrity.
- Configured and managed user permissions to maintain system security and access control.

Social Media Content Creator

May 2024 - Present

Instagram & TikTok @dioneldev

- Built a personal brand with 10,000+ followers on Instagram, establishing a strong presence in the tech community.
- Created, recorded, and edited educational content focused on frontend and backend development.
- Shared insights and programming concepts, fostering a growing and engaged developer community.

Oct 2023 - Present

Freelance Software Developer

Autonomous

- Developed full-stack web applications and SaaS platforms, managing the complete lifecycle: requirements gathering, design, development, deployment, and maintenance.
- Built end-to-end websites with modern technologies (React, Next.js, Astro, Node.js) ensuring performance, scalability, and responsive design across devices.
- Implemented SEO optimization and web performance improvements (WPO), achieving faster load times and higher search engine rankings, which increased client visibility and traffic.
- Designed and integrated RESTful APIs and database architectures (MySQL, PostgreSQL, MongoDB) to ensure secure, reliable, and efficient data management.
- Delivered custom business solutions tailored to client needs, including e-commerce platforms, booking systems, and dashboards for data analytics.
- Collaborated directly with clients, translating business requirements into functional, high-quality digital products with a focus on usability and long-term maintainability.
- Applied best practices in code quality, testing, and version control (Git) to deliver robust and maintainable solutions.

EDUCATION

Systems Analyst

March 2024 - December 2027 (Expected)

- Escuela Da Vinci

Full Stack Web Developer

April 2022 - December 2023

- Coderhouse

SKILLS

Programming Languages: JavaScript | TypeScript | Java | SQL | php | python

Frontend Technologies: HTML & CSS | React | Next.js | Astro | Angular

Backend Technologies: Node.js | Docker | Nest.js | Jest

Databases: MySQL | PostgreSQL | MongoDB

Cloud Services: AWS | Microsoft Azure

Version Control: Git

Automation: n8n

LANGUAGES

English

- Intermediate - B2

Spanish
